

# Bingham Farms

A community you can LIVE in!

The Village of Bingham Farms is a small, secluded community without retail establishments, is less than a mile from the charming, New England-like Franklin Village with a country market, gas station, chic hair salon and not to be missed gift shop. The community was substantially developed with office projects during the 1980s as growth moved north along Telegraph Road from the I-696 interchange. The community has maintained a healthy balance between the commercial sector and the residential community, continuing to retain its quiet residential character with premium homes very close to the area's prestigious private schools.
