

Lake Orion

A community you can LIVE in!

The Village of Lake Orion developed in the early 1900s as a summer resort with cottages clustered around the lake. Over time, these small summer dwellings were enlarged and converted to year-round homes. As interest in waterfront property grows, it is not uncommon for smaller homes on the lakefronts to be bought and torn down for the construction of larger, more expensive housing. The Village of Lake Orion is now a fully developed, eclectic mix of structures. There are picturesque centennial homes in the business district, alpine-type cottages on the scenic peninsula known as Swiss Village, modern split-levels on spacious lakefront settings or traditionally styled residences. This full service, year-round community is oriented to the lake and Paint Creek, which flows from the lake. One of Oakland County's Mainstreet communities, the commercial area and downtown are situated along M-24, the major north-south highway connecting Pontiac with Lapeer.
