

**NORTH ELEVATION (Nine Mile Rd. frontage)**  
**OPTION 'K'**

**DISCLAIMER:** These schematic design drawings are in conformance with the intent of the Main Street Oakland County Design Assistance Program. They could be used only for obtaining design approval, as necessary, from the Downtown Development Authority and the City. They are not construction documents. During construction field conditions will likely necessitate design adjustments. It is recommended that a registered architect be consulted for technical services so as to retain the integrity of the design while employing best practices within the
