**RESCINDS ADMINISTRATIVE ORDER 2017-06**

### **IT IS ORDERED:**

In accordance with MCR 8.111 and 8.112 trial courts must assign cases randomly by lot unless a different system has been adopted by local administrative order.

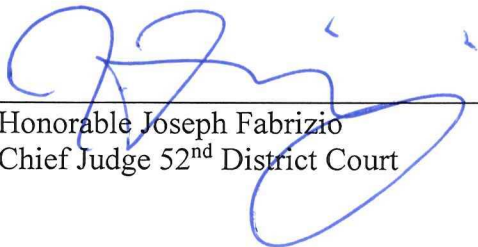

The following modifications will apply to the internal court management of the criminal case assignment at initiation for each division of the 52<sup>nd</sup> District Court:

1. For all new criminal filings, if an individual has other open misdemeanor files previously assigned to a judge of that division, or is on probation to a particular judge, any and all new files shall be assigned to the judge of that division with the oldest open misdemeanor case.
2. Co-defendants for any new criminal filings shall be assigned to the same judge of that division with the oldest open misdemeanor case.
3. If a defendant obtains any new criminal case after all prior cases are closed and/or discharged from probation of that division, the new case will be assigned by random lot in accordance with MCR 8.111.

The following additional modifications will apply only to the 4th Division of the 52<sup>nd</sup> District Court:

1. All criminal and civil infraction ordinance violations filed in the 52-4 District Court under Clawson City Ordinance will be assigned to Judge Maureen M. McGinnis.
