Can't make the dates?

If you are unable to attend a badge day or are interested in a different badge, call the nature center to schedule a field trip with a naturalist who can help your group achieve select badge requirements, including Girl Scout Journeys.

We're here to help!

If you're a leader of American Heritage Girls, Trail Life, Frontier Girls or any other badge-earning group, give the nature center a call to find out how we can help your group meet badge requirements.

Have you signed up to receive email alerts about scouting events? Don't miss out - look for the big green envelope at the bottom of the OaklandCountyParks.com home page.
