

2023 Oakland County Treasurer's

Financial Empowerment Arts Contest

Money buys things, of course. Comfort and style? 100%. It can also give you more time, independence, and peace of mind and help you elevate the people and causes you care about.

But first, you need to know how money works. How to make informed choices, avoid mistakes, and bounce back after a setback. We call it **financial empowerment**—the savings, borrowing, investing, and budgeting skills you need to live your best life. It's not about how much money you have. It's how you handle the money you do have.

What does financial empowerment mean to you?

Tap into your creativity and show us. The 2023 Oakland County Treasurer's Financial Empowerment Arts Contest is open to Oakland County public high school students with cash prizes for top entries in each grade.
