

NOTICE OF PROJECT PLANNING PUBLIC MEETING

The Joachim Drain Drainage District will hold a public meeting on the proposed Clean Water State Revolving Fund (CWSRF) Storm System Improvements project for the purpose of receiving comments from interested persons.

The meeting will be held at **2:00 p.m.** on **Tuesday, April 25, 2023, virtually and at the Oakland County Water Resources Commissioner's Office (1 Public Works Dr., Waterford, MI.)**

The purpose of the proposed project is **to make improvements to the existing storm water systems in order to continue to meet the required level of service for the systems.**

Project construction will involve **upgrades to and rehabilitation of existing stormwater pipes and structures.**

Impacts of the proposed project include **temporary noise and disruption to the public due to construction of the required improvements, which will be offset by improvements that will reduce the likelihood of system failures.**

The estimated cost to users for the proposed project is approximately **\$0.12 per household over 20 years.** **However, the Drain will likely qualify as “overburdened” and may be eligible for additional grant funding and/or principal forgiveness, which would reduce the cost. The Drain will also have the opportunity to reduce the scope of work and potential cost during the design phase and/or defer the project should funding not be awarded.**

Copies of the plan detailing the proposed project are available for inspection at the following location: **Oakland County Water Resources Commissioner's Office (1 Public Works Dr., Waterford, MI.)**

Written comments received before the meeting record is closed on **Tuesday, April 25, 2023**, will receive responses in the final project planning document. Written comments should be sent to Stephanie Lajdziak at lajdziaks@oakgov.com before TUESDAY, APRIL 25, 2022 at 2:00 P.M.
