TO: Oakland County Retirement and Deferred Compensation Board  
FROM: Carly Webster, Retirement Administrator  
DATE: April 5, 2023  
SUBJECT: Retirement Defined Benefit Pension Increase

Pursuant to Section 34 of the Defined Benefit Plan document, a calculation has been performed to determine if a post retirement defined benefit pension increase is to be given to retirees on May 1, 2023, for people who retired prior to May 2, 2022.

The results of the calculation indicate that all retirees will receive a 1.5% pay increase on their base original pension amount.

Therefore, I recommend that the Retirement Board approve the post retirement benefit increases listed above.
