Important Questions	Answers		Why This Matters:
	In-Network	Out-of-Network	
What is the overall <u>deductible</u> ?	\$100 Individual/ \$200 Family	\$250 Individual/ \$500 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive care</u> , most outpatient physician services (e.g. primary care, <u>urgent care</u> , <u>specialist visits</u> , telemedicine e-visits), most chiropractic care, emergency room care and prescription drug coverage are covered before you meet your <u>deductible</u> .		This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.		You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ? (May include a <u>coinsurance</u> maximum)	<ul style="list-style-type: none"> The <u>out-of-pocket limits</u> for medical <u>coinsurance</u> are \$500/individual and \$1,000/family. The total <u>out-of-pocket limits</u> for medical services are \$4,125/individual and \$10,250/family. These figures include medical <u>deductible</u>, <u>coinsurance</u> and <u>copays</u>. The <u>out-of-pocket limit</u> for prescription drugs are \$3,775/individual and \$5,550/family 		The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.

Important Questions	Answers		Why This Matters:
	In-Network	Out-of-Network	
What is not included in the <u>out-of-pocket limit</u>?	<p><u>Deductible</u> and <u>copayments</u> are not included in the <u>out-of-pocket limits</u> applicable to medical <u>coinsurance</u>. Amounts attributed to the total <u>out-of-pocket limits</u> for medical services are not include in the <u>out-of-pocket limits</u> for prescription costs. In general, <u>out-of-pocket limits</u> do not include <u>premiums</u>, <u>balance-billing</u> charges, any health care this <u>plan</u> doesn't cover.</p>		Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	<p>Yes. For a list of <u>network providers</u> see www.bcbsm.com or call 1-877-752-1233</p>		This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.		You can see the <u>specialist</u> you choose without a <u>referral</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
