

# Summer Youth Energy Academy

Consumers Energy

Count on Us®

**ATTENTION: High School Students**

## Are you...

- Going into 10<sup>th</sup>, 11<sup>th</sup> or 12<sup>th</sup> grade next school year (2024-2025)?
- Interested in learning more about careers in energy?
- Intrigued by the opportunity to earn up to \$1,800 over six weeks this summer?
- Wanting to learn about resume building, interviewing, and more that will help you become job ready?

If you answered YES to any of these questions, scan the QR code to apply for the program!

**Applications are due by 6:00 pm on Sunday, April 14<sup>th</sup>, 2024. (No late applications will be accepted)**
