

Oakland County, in partnership with Habitat for Humanity of Oakland County, has established a program to provide grants for minor home repairs to eligible households within the City of Pontiac. The application for the program launched on Monday, April 8th.

The program offers a variety of home repairs, helping homeowners to repair and replace roofs, heating systems, plumbing, water heaters, electrical hazards, improve accessibility, windows and doors, deck and porch repairs, kitchen and bath upgrades as well as a variety of other home upgrades.

This program is not intended for emergency home repairs. For heating emergencies — no heat during extremely cold weather, November 1st to April 1st — applicants will be referred to other emergency programs.

A limited amount of grant money is available and will be distributed to eligible households based on the following criteria:

- The repair is estimated to cost less than \$25,000.
- Priority is given to seniors 62 years and older.
- The program will be first come, first served determined by a completed application.
- The home must be a single family, owner-occupied dwelling.

The home must be located in one of the qualified areas: 1409, 1410.01, 1412, 1413, 1415, 1416, 1417, 1420, 1421, 1422, 1423, 1424, 1427 & 1459.
