## 1. Let's Get Appy Using ArcGIS Online

*Keri Blough, Geospatial Application Services Manager, City of Novi*

The City of Novi's latest iteration of interactive maps leverages data hosted in ArcGIS Online along with new web maps and apps. A variety of ArcGIS Online apps such as Experience Builder, QuickCapture, Dashboards, Instant Apps, and Survey123 will be highlighted to demonstrate how each builder can be utilized to fulfill projects requirements

## 2. Lightning Talks

- RCOC Drone Update** – Aaron Verhelle, GIS Supervisor, Road Commission for Oakland County
- Audience volunteers!**

## 3. What's New with Oakland County GIS

## 4. Southeast Michigan GIS User Group Initiatives - Update by SEMCOG

## 5. State of Michigan Initiatives

## 6. Future Topic Ideas ([Take our survey: https://arcg.is/0r4CSK](https://arcg.is/0r4CSK))!

## 7. Open Forum for Updates and Questions
