### **Project Goal**

To establish a Project Management Budget so that hours may be utilized for Project Management development initiatives leveraging new Clarity functionality to gain improved efficiency in Project Management.

### **Business Objective**

#### **Major Deliverables**

- Biannual Metrics Analysis.
- Ad-hoc data analysis.
- Ongoing Report and Portlet development and enhancements.
- Clarity integration with SharePoint.
- Automate Project Signatures.
- Refine Resource Utilization Reports and process:
  - Only include current week and future
  - o Filter out resources with no ETC
  - Better evaluate soft-bookings and budgets (hard book?)
  - Consider Weekly Timescale 6-8 weeks out only
  - o Better define Resource Manager responsibilities
- Implement New Timesheet User Interface.
- Research and Implement Roadmaps.
- Explore additional Clarity Project Management functionality, especially the Modern User Interface

Project Name: Project Management Program Development Project ID: DH9181PD

#### Approach

- Meet with functional consultants from Rego Consulting as needed to review current practices and recommendations for improvements.
- Improvement requests which will result from PMO Source System Experts and IT Steering Committee
- Update the Clarity application with new functionality and/or processes
- Test updated Clarity application functionality
- Perform Workshops as needed to roll out Clarity application functionality and procedure changes
- Implement application functionality and procedure changes
- Update PMO Handbook and Procedure Documentation

### Research & Analysis

**Gartner Research Recommendation** 

Not Applicable

### **Benefits**

See Return on Investment (ROI) Analysis Document

### <u>Impact</u>

Number of Users 200+

**Divisions** Information Technology

**Leadership Groups** IT Steering Committee

### Risk

**Business Environment** Medium – Project will require some changes to existing business processes.

**Technical Environment** Low – Proven or previously implemented technologies.

### **Assumptions**

Project Name: Project Management Program Development Project ID: DH9181PD IT Staffing: resources will be available for the hours indicated per the attached Staffing project plan. Other Staffing: additional staffing will be available as follows: Role: <u>Name</u> **Hours per Day** Project Sponsor: McKenna As Needed **Facilities Technical Funding** Information Technology Other **Priority Constraints Exclusions** 

Project Name: Project Management Program Development Project ID: DH9181PD

### Oakland County -- Project Management Program Development

As Of: 8/13/18

Return on Investment Analysis

### Assumptions

Date	Assumption Description
	Approximately 220 people tracking time in Clarity. Assuming that half of those (110) spend 1 minute less tracking time each week with the
14-Aug-18	new timesheet interface. \$165/hour = \$2.75/minute.
	Approximately 4 projects per week for Project Approval. Save 15 minutes of Supervisor and PM time reviewing Resource Utilization per
14-Aug-18	project. Save another 15 minutes of PMO's time.
