Courts Leadership Group E-minutes
09/01/22

Hello Everyone,

The Clerk's Office is requesting an eVote approval to do the work associated with the following mandate:

- 1) **Divorce Complaint Non-Public Mandate** which is legislation the Governor signed on July 21st, 2022. This mandate is due to be completed by October 1, 2022.

The estimated number of hour to complete this project is 186. The 186 hours will come from the Courts Unallocated Hours.

The hours will be moved into Priority #10, the Courts Mandate Program Budget.

The question you are to answer is this:

Q1: YES or NO

Does the Courts/Justice IT Leadership Group approve taking the 186 hours from the Courts Unallocated Hours in order to complete this Divorce Complaint Non-Public Mandate project?

Thanks

John
