Subject: RE: Courts/Justice IT Leadership Meeting

Courts Leadership Group:

Circuit Court is requesting an eVote approval of 200 additional hours to execute deliverables related to a Judge Switch due April/May of 2019. This is related to the unplanned resignation of Judge Karen D. McDonald. In order to proceed in a timely manner, we will need additional hours to complete the Judge Switch and associated Referee changes.

Q1: YES or NO

Does the Courts Leadership Group approve moving 200 hours from unallocated to complete the Judge Switch changes (there are currently 409 hours in unallocated)?
