Subject: eVote Request

Dear Lynn,

As a follow up to the approval of the Request to Size on 3/17/22, Economic Development is requesting an eVote approval for the sizing and prioritization of the Econ Dev Salesforce Enhancements Project for the 2021-22 Master Plan. The sizing is for 750 hours of IT labor.

The hours for this project will come from the Finance/Admin Unallocated Hours.

As a reminder, unlike a formal meeting in person or virtual meeting where only a quorum is needed, eVotes require all voting member department representatives to respond in order to move forward.

Q1: YES or NO

Does the Finance/Admin Leadership Group authorize an eVote on this request?

Q2: YES or NO

Does the Finance/Admin Leadership Group approve this project sizing?

Q2: YES or NO

Does the Finance/Admin Leadership Group approve a prioritization of 18 for this project?
