Subject: Land Leadership eVote

Good morning Land Leadership Reps,

We have a request from the Health Department below for an eVote. Just a reminder that an eVote requires every department to respond in order to have a quorum for this action. Please reply to me by tomorrow (3/8/2022) with your vote on Q1 & Q2.

The Health Division is requesting an eVote approval for the transition of 149 Unallocated hours to the EH Enterprise Imp - Accela Implementation project. The additional hours will be used to complete extended testing for the final phase of the implementation and the delayed go live.

Q1: YES or NO

Does the Land Leadership Group authorize an electronic vote on this request?

Q2: YES or NO

Do you approve the allocation of 149 Unallocated hours to the EH Enterprise Imp - Accela Implementation project?

Thanks!
