

Brownfield USEPA Grant INTAKE FORM

The Oakland County Brownfield Consortium received grant funding from the U.S. Environmental Protection Agency (USEPA) to conduct environmental assessments on brownfield sites throughout Oakland County. After the proper environmental remediation takes place, these sites provide an opportunity for redevelopment. Applicants, please complete one Intake Form per site, save the PDF, and email it to: Brad Hansen at hansenb@oakgov.com

APPLICANT INFORMATION

Project Name _____
Contact Name _____ Title _____
Company Name or Municipality Requesting Funds _____
Phone _____ Email _____
Address _____ City _____ State ____ ZIP _____

SITE INFORMATION

Site Owner Name _____
Owner Mailing Address _____ City _____ State ____ ZIP _____
Site Physical Address _____ City _____ State ____ ZIP _____

What are the major crossroads of the site? _____

Parcel ID # _____

Include a project location map with the site identified and include major roads.

What date was the site acquired? _____

What is the current land use on the site? _____

Is the site currently undeveloped or a vacant/unoccupied building? Yes No

If the site is owned by the applicant, what was the means of taking ownership?

If the site is not owned by the applicant, what is the relationship of the applicant to the owner?

What role will the owner have in the proposed new redevelopment?

CONTAMINATION INFORMATION

What has the site been used for historically, if known?

What type of development or activity on the site has caused environmental concern? (e.g. industrial, dumping/disposal, agricultural, etc.)

How did the site become contaminated and who is the responsible party, if known?

List any on-going or anticipated environmental enforcement actions (State or Federal)

REDEVELOPMENT INFORMATION

Provide a description of the strategy you plan to use to redevelop the site and include any proposed future land uses.

Has a developer been selected? Yes No

If yes, provide the developer's name _____

If no, when will a developer be selected? _____

What is the current zoning on the site? _____

Will the site need to be re-zoned in order to accommodate future redevelopment plans? Yes No

ESTIMATED INVESTMENT AND JOBS

What is the total estimated financial commitment to this brownfield project? _____

Estimated Number of Jobs Created: _____
Full Time Part Time Retained Construction
