

Birds of Prey Silhouette Mobile

1. Cut along the lines to make a template of each of these birds of prey.
2. Fold 2 sheets of dark construction paper or card stock in half, like a greeting card
3. Place straight edge of bird templates along folded edge of construction paper and trace around bird wings.
4. Cut along tracings.
5. Unfold paper and you have bird silhouettes. Repeat for as many bird as you'd like.
6. Attach string, yarn, or fishing line to back of each bird silhouette.
7. Attach strings to coat hanger or crossbrace.

Materials:

- Dark construction paper or card stock
- String, yarn, ribbon or fishing line
- Hanger or crossbrace made from attaching 2 sticks in a "X" shape
